

# 2008 BBAC Trashcan Derby

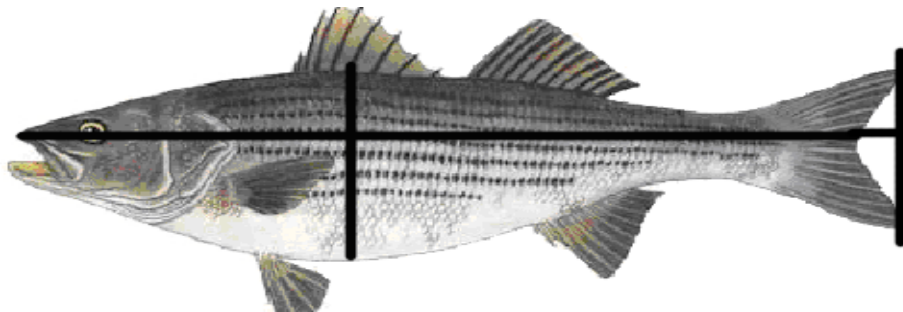

## Official Measuring Directions

An official catch can be credited when the fish has been measured accurately, both length and girth must be recorded on the score card.

- *Length:* Is from the snout of the fish to the Tip of the tail.
- *Girth:* Should be all the way around the fish at its widest part. (Lay down the dorsal fin)

There will be a score card for every angler registered.

Striped Bass

Bluefish
